Course homologated by:

## Private Pilot Course

### Course to obtain a Private Pilot License PPL (A).

This course is addressed to people without any previous experience who want to fly without receiving any financial remuneration, but for sporting or leisure purposes.

The course consists of:

- ✓ 100 hours of lectures.
- ✓ 45 hours of real flight time on a Piper Warrior or Tampico TB9, and Simulator FNTP 1, where students will practice the procedures and the flight and navigation techniques.
- ✓ 9 theoretical exams.
- ✓ Practical test (flight hour included).

**Check out our customized financing options.**
